

Every day we work hard to earn your business, blending the talents of our people with the quality of our products and services to exceed your expectations. This is our pledge to you.

Wood Construction Connectors

Includes specifications and installation instructions on wood-to-wood and wood-to-concrete structural connectors. Includes load tables and material specifications.

Anchoring and Fastening Systems for Concrete and Masonry

Includes application information, specifications and load values for adhesive and mechanical anchors, P.A.T. and carbide drill bits. A binder version is also available.

High Wind-Resistant Structural Connectors

For builders and homeowners on retrofitting and new construction in highwind areas.

Cold-Formed Steel Connectors

30 products have been developed and tested using screw fasteners to obtain actual load values. This catalogue includes installation requirements and illustrations.

Strong-Wall® Shearwalls

All the information on our Strong-Wall shearwalls is now in one easy to use catalogue: technical data, installation information, structural details and more. The catalogue also features new solutions for two-storey and balloon frame applications as well as an extensive section on braced frame requirements under the various building codes.

High Wind Framing Connection Guide

Developed for designers and engineers as a companion to the AF & PA Wood Frame Construction Manual.

Code Compliant Repair and Protection Guide

Developed for building professionals to help explain products and techniques related to the installation of utilities in wood frame construction.

Anchoring Solutions for Simpson Strong-Tie® Connectors

Simpson Strong-Tie Anchor Systems® specifications with our connector line. It should be used in conjunction with the current connector and anchor systems catalogues.

Free Simpson Strong-Tie® CD-ROM

Our CD-ROM features our latest catalogues, fliers, technical bulletins, code reports, product list prices, UPC information, and the Simpson Connector Selector program. It also includes the Drawing Library.
